

The Silent Majority

You know abortion is killing our next generation. These small voices must be heard, not only here, but at the ballot box as well.

The Constitution Party is the state's only 100% pro-life party. We are dedicated to giving the silent majority a loud voice in our government.

We need your help! The big party politics no longer represent this voice, but by voting for and supporting **Constitution Party Candidates** on every level, you will help end this holocaust.

The Right to Bear Arms

The 2nd Amendment

The right to bear arms is inherent in the right of self defense, defense of family, and defense against tyranny, conferred on the individual and the community by our Creator to safeguard life, liberty, and property, as well as to help preserve the independence of the nation.

The right to keep and bear arms is guaranteed by the Second Amendment to the Constitution; it may not be properly infringed upon or denied.

The Constitution Party upholds the right of the citizen to keep and bear arms. We oppose attempts to prohibit ownership of guns by law-abiding citizens, and stand against all laws which would require the registration of guns or ammunition.

The Burden of Taxes

- ★ Reduce the Government to Constitutional Size
- ★ Eliminate the tax code
- ★ Replace it with a Tarriff System

Once enacted, the reduction of the tax burden will greatly impact freedom and prosperity across our nation.

The Constitution Party recognizes that every extraction of taxes deprives people not only of money, but of labor, time, and freedom. The Present system of direct taxation, coupled with out-of-control government spending has resulted in levels of taxation far exceeding those resisted by the Founding Fathers.
